Choose the number of stables you have booked by clicking on any available stables. If a stable is grey, it is booked. You can hover over any booked stables to see the name of the person who has booked them and their horse's sex. As the venue has different stable types, please see the legend at the top of the page if you have a preferred type. Click on next once all stables have been chosen.

The next page will show you a horse sex selection. This is important to ensure it is correct, as it may impact others who are booking around you. The system will default to gelding but please update if you have a stallion or mare. Click next to move forward.
