

WINGMAN NCHA AUTUMN SPECTACULAR COMPETITORS

We apologise for the inconvenience but following review with Upper Hunter Shire Council there will be adjustment to the stabling at White Park for the Wingman NCHA Autumn Spectacular. To assist with costs it has been agreed that the updated stabling conditions will comply:

STABLING

- All stables will require compulsory bedding of one cubic metre, to be booked through nominate.
- At the end of each stable block there will be Bulk Bedding provided for stables and it a self-serve process for each stable. (There will only be enough for each stable so please consider others and only get the one cubic metre allocation)
- Anyone that has not yet booked the bedding for their stables needs to do this ASAP.
- The cost per stable is \$50 and must be paid as part of your booking.
- All bookings that have been made prior to this time, will be contacted by the Council, to provide a credit for the difference. Alternatively contact at Upper Hunter Shire Council 02 6540 1100 who will assist with this process
- CLEANING OUT. All bedding must be removed from stables to the allocated used bedding dump, or the \$75 bond will not be refunded.
- If you require any further bedding during the show. Sponsors: MacCallum & Co will be providing a daily service. Bookings can be made by contacting 02 6540 1234 or 0427 451 211.
- **STABLE BOOKINGS CLOSE 10 APRIL 2021**
