

NCHA AFFILIATE ICOMPETE MANUAL

There are currently two different versions of Icompetete

- **Financial Model**
- **Unfinancial Model**

The benefit of using Icompetete is that the program checks that Membership is current including the rider and horses are registered with NCHA (with correct ownership and age verification). If membership is not current this will need to be renewed before the member proceeds.

Financial Model

- For this process your Club will need to have a Westpac Bank Account. Contact the NCHA and we will forward your details to the Westpac Representative.
- Westpac will provide the relevant forms for the Affiliate Club to complete
- On lodgement of your forms your club will need to allow 6-8 weeks for the approval and setup process to be organised. When completed you will be contacted by the Westpac Representative.
- Entry Refunds – in accordance with Westpac Merchant Facility Terms & Conditions should be processed via the Payway Merchant Facility. Should there be bulk refunds our Westpac Representative, Kelly Benson will administer, by forwarding Affiliate Club request with payment refund details via email to Kelly.benson@westpac.com.au.
- Post event NCHA will forward an invoice to the Affiliate Club for costs incurred for iCompete entry transactions & Merchant Fees whereby payment will be required.
- The benefits of this version are that members pay for their entries online when entering (all in the one transaction)
- You would also state on the Terms and Conditions of your entries that the members would pay and complete entries via Icompetete
- The Affiliate Club is set up as a 3rd Party to the NCHA Merchant Facility.
- Merchant Facility Transaction Reporting will be provided when Show Entries close by our NCHA Affiliate Representative via an email to the relevant Show Secretary.
- This reporting is to reconcile Bank Transactions against Icompetete Entries.
- Should you require assistance contact admin@ncha.com.au

Unfinancial Model

- Members are able to put entries straight into Icompetete and then make a separate transaction by doing a direct deposit into the Clubs Bank Account
- You need to have the Clubs Bank Account details listed on your Terms and Conditions. Suggested you request that the members use their name as a reference when they are making the payment **BSB 000-000 A/C 00 000 000 REFERENCE JOHN SMITH**
- The Members Entries are not fully accepted until the Entry Fees are received.

Horse & Rider Information

- Verification that the correct spelling of the Horse matches the NCHA Register. As members are adding horses to the system when they think the horse is not in the system and there has been inconsistencies in spelling.

If there is anything that is not right, it can be changed. The scenarios are as follows.

- **Horse ownership.** May be that the owner has transferred the horse with AQHA and not with us. Both systems are not linked. All the member needs to do is fill in the NCHA Transfer Form and send it in.
- **Incorrect event.** You are able to delete this from that event and enter it in the correct event. For those affiliates that have the finance module, if you make any changes to the entries you will need to adjust the members record as well.

SCRATCHINGS

If a member contacts you to scratch their entry before the Draws are done. You will need to do this from **EVENT ENTRY FORMS**. Select your show and **REFRESH**. All the entries received will be list, put the members name in the search box and **ENTER**. This will bring up all entries under their name. Click on the **DETAILS BUTTON** for the correct one. This brings you to another screen and will this will allow you to SCRATCH the Horse/Entry here.
