OFFICIAL

VETERINARY DECLARATION FOR COMPETITION ENTRY

The NCHA Rule Book states that a veterinarian must gazette all drugs that have been prescribed and administered to a horse up to 10 days prior to a competition. This information must include a statement that the horse is, in the opinion of the attending Veterinarian, fit for competition, the reason for drug administration, the drug(s) administered, their dose and routes of administration and the time and date of last drug dosage for each drug used. **THIS IS MANDATORY.** Accordingly, you are requested to complete the form in all sections.
