

## 2025 NCHA FUTURITY – STABLING & CAMPING INFORMATION

We're excited to announce that the 2025 NCHA Futurity is shaping up to be our biggest yet! With growing numbers of entrants, we're doing our best to accommodate everyone—horses included.

### STABLING

- **Bookings are now open!**
- To book, complete the Stabling Booking Form and return it to: [accounts@ncha.com.au](mailto:accounts@ncha.com.au)
- Terms & Conditions are outlined on the form.

Please note:

- Stable block space is limited, but we have a good number of **portable stables**, located in the **covered arena next to Block A**.

### CAMPING

Powered sites at AELEC are limited and filling fast. Unpowered sites are still available, and this year we've added **portable toilets and showers** in the unpowered camping area for your convenience.

We've also arranged overflow options at nearby facilities.
